For your convenience, the Waldorf Astoria Spa & Health Club is a stress-free zone. Expanding over the entire fourth floor, the Waldorf Astoria Spa & Health Club is devoted to meeting your specific needs and desires - be it a healing massage or an invigorating Pilates lesson. There is a lap pool on the west end. Private locker rooms on the east end. And 14,000 square feet of treatment rooms, saunas and fitness equipment in between. But with all this space, we ask that you kindly leave your worries at the door, there simply is not room for them here.

#### POOL

A lap pool adorned with thousands of mosaic tiles is available for leisure or intense swims, as well as for water classes.

#### PILATES & GYROTONIC<sup>®</sup>

We have several skilled and talented Pilates and Gyrotonic instructors, specializing in strengthening your body without straining muscles and tendons. Spa members receive 10% savings on fitness sessions.

#### FITNESS EQUIPMENT

We are outfitted with impressive workout equipment from Matrix, the leader in luxury fitness equipment found only in the best gyms across the nation. Each cardio piece has a built in 15-inch touch screen LCD screen that easily connects to your iPod. These screens also connect to several television stations. No more excuses.

#### OUTDOOR TERRACE

During warm weather, our outdoor terrace is ideal to lounge after an invigorating work out or relaxing massage, or to host a spa party.

#### GATHERINGS

Only the most productive meetings and happiest weddings happen here. Of course, there is no way to truly know if the business meetings at the Waldorf are the most productive or the weddings are the happiest. But with timeless decor that is more reminiscent of 1920's Paris than any hotel meeting room, personalized menus, and a staff who is devoted to exceeding your expectations, it is certainly hard to imagine your gatherings would be anything less. Waldorf Spa members receive 50% savings on event space rental.

#### ACCOMMODATIONS

Your home may miss you. We suspect the feeling will not be mutual. With lavish bathrooms, fireplaces and outdoor terraces overlooking the Gold Coast, the Waldorf Astoria guest rooms make it hard to miss home. Because here, you will find all the comforts you are used to, as well as some unexpected offerings to which you will easily become accustomed. So whether you are staying for one evening or for many, one thing is for certain: when you are staying at the Waldorf Astoria, home is but a distant, fond memory. Waldorf Spa members receive 20% savings on published guest room rates.

#### SPA SERVICES

To this day, explorers are still looking for the infamous fountain of youth. Of course, we wish them luck. In the meantime, the spa treatments offered at the Waldorf Astoria Spa & Health Club can be completely personalized based on your age, body and skin type, annual sun and pollution exposure, even stress or pain levels, depending on the service. Waldorf Astoria Spa members receive 20% off spa services Monday through Friday and 10% off of retail purchases in the Spa Marketplace.

## OUTLETS

An added benefit of being a member at the Waldorf is the preferred dining savings of 10% off Balsan and Bernard's. Balsan has become known for its European bistro atmosphere and seasonal menu, while Bernard's is an elegant bar serving classic cocktails.

## VELET PARKING

Another part of the Waldorf experience is the beautiful cobblestone courtyard that warmly welcomes you each time you visit. And we do mean warmly, it is heated after all. Members are entitled to a special rate whether they pay daily or prefer to take part in a monthly parking program.

## FAMILY SWIM HOURS

For member enjoyment, we host family hours for members and their children. Monday through Friday from 11:00 a.m. to 6:00 p.m. and all day Saturdays, Sundays and holidays, supervised children under the age of 18 years may use the pool area only. For your convenience, there are two bathrooms located immediately outside the pool area for their use as well.

## GUEST AND DAY PASSES
